

# Youcef Nezrek

Full Stack Web Developer

## 👤 Profile

Enthusiastic Full-Stack Web Developer with 3 years of experience in building and maintaining web applications. Proficient in the TALL stack (Tailwind CSS, Alpine.js, Livewire, and Laravel) and experienced in both frontend and backend development. Dedicated to delivering high-quality, scalable solutions that meet client requirements.

## 📁 Employment History

### Full-Stack Web Developer at Techfly, Oran

*December 2022 – Present*

- **Kheops:** an AI-driven Personalization Platform offering professional B2B solutions. I contributed to the development and enhancement of Kheops.
- **Vondo:** a comprehensive e-commerce platform featuring a mobile app, a CMS section for landing pages, a dashboard for managing products, clients, orders, and stock, as well as a front office. As the primary developer for the web component and APIs, I played a key role in building and integrating these functionalities.
- **CCO Event Reservation Platform:** I played a central role in the development of an event reservation platform for the CCO, focusing primarily on the creation of the dashboard and APIs to support the accompanying mobile application.
- **Klassty:** I was instrumental in developing of this CRM system, with a primary focus on ensuring a smooth and user-friendly experience for our clients.
- **Carloue:** a car reservation platform and app. My role primarily focused on developing the web component and APIs for the app, ensuring seamless integration and functionality across platforms.
- **Alcavallo:** a project combining VTC services and carpooling. My contributions included adding new functionalities, enhancing the dashboard, and developing APIs to optimize the platform's performance.

### Freelance, Oran

*June 2021 – December 2022*

Developed a full stack web application from scratch, including back-end services, front-end interface, and database.

## 🎓 Education

**Masters in Networks and Telecommunications, Mohamed Boudiaf University of Science and Technology, Oran**

*September 2015 – July 2021*
