

YOUCEF NEZREK

FULL-STACK WEB DEVELOPER

Oran - Algeria | +213 550 19 16 27 | contact@itsyoucef.com | www.itsyoucef.com | [Github](#) | [Linkedin](#)

SUMMARY

Full-Stack Developer with 5+ years of experience specializing in Laravel and modern PHP ecosystems. Experienced in building scalable web applications, RESTful APIs, complex business logic, system integrations, and multi-tenant architectures and ERP platforms.

PROFESSIONAL EXPERIENCE

Independent Full-Stack Developer, Registered Auto-Entrepreneur June 2021 – Present

- Develop scalable full-stack applications using Laravel/PHP, RESTful APIs, and modern frontend technologies.
- Build e-commerce, ERP, CRM, and multi-tenant solutions, including complex business logic and third-party integrations.

Full-Stack Web Developer, Zimou Group March 2025 – April 2026

- Developed backend architecture for an e-commerce ERP covering products, orders, inventory, logistics, billing, and external integrations.
- Designed RESTful APIs and implemented complex business logic, with a focus on scalability and performance.
- Contributed to instance provisioning, deployment automation, and backend architecture for MyEcom Cockpit.

Full-Stack Web Developer, Techfly December 2022 – February 2025

- Developed and maintained web applications across e-commerce, CRM, AI, event management, and reservation platforms.
- DZIGNERD: Developed features for a multi-store e-commerce platform managing products, stores, and sales.
- Kheops & PASSMEMO: Contributed to AI-powered B2B and elderly-care platforms, including speech transcription features.
- CCO & Carloue: Developed dashboards, REST APIs, and backend functionality for event and car reservation platforms.
- Klassty: Contributed to the development of a CRM platform and its business workflows.
